Katrina Roe's debut children's book Marty's Nut-Free Party was shortlisted in the Speech Pathology and CALEB awards. Same helps a child relate to what is actually the same, in someone who seems so different.

When Uncle Charlie comes to visit, Sophie keeps her distance. He seems different from other people she knows. Can Uncle Charlie find a way to show her that he is not so different after all?

Same is a touching true story about love, acceptance and finding common ground.
